

# Friends of Mill Road Cemetery

## **Environmental Policy**

Friends of Mill Road Cemetery ('FOMRC') assists the Parochial Burial Grounds Management Committee ('PBGMC' and the landowners) and the Cambridge City Council ('City Council') in caring for Mill Road Cemetery, a green space in Petersfield, Cambridge.

It is FOMRC's policy to protect and improve the local environment at all times by collaborating and assisting with the City Council's management and maintenance policies, and to be mindful, through intelligent use and recycling of materials, of the potential impact on the environment of all of their activities.
